OLTMANS CONSTRUCTION CO. HAS EARNED DESIGNATION AS A GREAT PLACE TO WORK-CERTIFIED™ COMPANY IN 2019

WHITTIER, CA, May 1, 2019 – Oltmans Construction Co., one of the nation’s top general contractors, announces that it is [Great Place to Work-Certified™](#). The certification is a significant achievement, as it confirms that 97 percent of Oltmans employees have a consistently positive experience at the company. The statistic has been determined through validated employee feedback, gathered with data-driven methodology proprietary to Great Place to Work, a global authority on workplace culture, employee experience, and the leadership behaviors proven to deliver market-leading revenue and increased innovation.

“We are thrilled to hear such positive feedback from our employees,” says John Gormly, CEO and chairman of the board at Oltmans Construction Co. “As an 87-year-old company, employee experience and maintaining a family-like work culture has always been a priority. It is an honor that our people have reported a significantly positive, high-trust experience with their coworkers, their leaders, and their jobs. We know that when our employees enjoy their work and are professionally fulfilled, they are able to make the greatest positive difference to our customers.”

Sarah Lewis-Kulin, vice president of Best Workplace List Research at Great Place to Work, congratulates Oltmans Construction Co. on their certification and shares that, “Organizations that earn their employees’ trust create great workplace cultures that deliver outstanding business results.”

About Oltmans Construction Co.:

Oltmans Construction Co., founded in 1932, is a national, full-service general contracting company that specializes in new commercial and industrial construction, as well as renovation, solar, infrastructure, healthcare, and education projects. The company has constructed countless notable structures throughout its history, including such industrial landmarks as the [Goodman Commerce Center](#) in Eastvale, CA—a 200-acre mixed-use business development. Oltmans is an LABJ Top 100 company and an ENR Top 400 contractor. The company holds licenses in the states of California, Nevada, Arizona, Utah, New Mexico, and Louisiana.
